Cable Address, Buist Philadelphia

Philadelphia, January 1st, 1921

TERMS OF SALE.—Three months' credit.

We allow a **cash discount of five per cent** if paid within **ten days, excepting Peas, Beans and Corn**, on which terms are (except when included in a general order) sixty days net or subject to a discount of two per cent. for cash payable within ten days from date of invoice.

NET CASH GOODS are Onion Sets, Potatoes, Field Corn, Bird Seed, Grass, Clover and all other Agricultural Seeds; these must be remitted for when ordered or be subject to sight draft on shipment.

SPECIAL QUOTATIONS—Bills purchased on special quotations made by letter or telegram are sixty days from date of invoice or subject to a discount of two per cent. for cash if paid within ten days from date of invoice.

REFERENCE.—**Unknown** correspondents desiring credit are requested to furnish reference from their banker or any reputable firm they do business with.

PERISHABLE GOODS.—Onion Sets and Potatoes are always shipped by us in the very finest order, and packed to carry safely; but as they are subject to damage by excessive heat or cold in transit, over which we have no control, such risk must be assumed by the purchaser. No claims can be allowed for damages.

ORDER EARLY.—We earnestly request our customers to place their orders early to secure prompt shipment and from our full stocks. We give all orders immediate attention as soon as received.

ADVANCE ORDERS.—Orders booked in advance of the season are subject to crop conditions. All orders are taken subject to confirmation by **ROBERT BUIST COMPANY**.

SPECIAL PRICES.—If you are a large purchaser of Seeds, it will always afford us great pleasure to make Special Prices if you will kindly enclose us a list of your requirements.

BARRELS—BOXES—SACKS are **CHARGED** at **COST**, and are not returnable for credit, and will only be accepted to be used on future orders.

YOUR SEED TRADE can be very much increased by selling Buist's Growth, and possibly greater satisfaction given to your customers, as there is no brand that has attained a greater reputation for their Purity and Reliability. They have 93 years' record.

WARRANTIES.—Seeds of best quality will often fail through improper treatment. Thus, a small seed may be sown so deeply that the young plant cannot reach the surface. *More failures result from disregard of the conditions necessary to germination than from inferiority of the seeds used.*

Perfection of Quality with us is the first importance. The cost of its production is always a secondary consideration, but while we exercise the greatest care to have all seeds Pure and Reliable, we do not give any Warranty, expressed or implied. If purchaser does not accept the seeds on these terms, they must be returned at once.

Our Cabbage Seeds are all grown from selected stocks, carefully inspected while growing, and also before being put away for the Winter. No finer or purer strains, of Cabbage can be found anywhere than the BUIST'S THOROUGHbred "PRIZE MEDAL" AMERICAN GROWN STOCKS.

We do not handle the cheap grade of Cabbage Seed grown now very extensively in the Northwest with nothing to recommend it but its cheapness.

BUIST'S SELECTED ONION SETS

For Shipment during January and February

We are extensive growers and shippers of Onion Sets, with a reputation of shipping the finest samples. They are smaller, more uniform in size, and better cleaned than those of Western growth, and will keep longer without sprouting. We also use a 7/8 mesh in cleaning them while Western and many other growers use an inch, making our sets of much smaller size and more salable.
